

Need help knowing who in your life to ask for help? Remember, you're a valuable customer to the businesses you frequent. It is okay to ask for help for a cause you believe in! Did you know that according to Forbes, women drive 70-80% of all consumer purchases? It is good business to support women.

Ten Businesses You Frequent: Ask for Ads, Raffle Items and Sponsorships, ask to Post Flyers - and share images on social media! Remind them that one out of three women and girls will be beaten or raped in their lifetime. We can help our own local organizations and our community work to end violence against women and girls.
