

Dear dedicated community member:

Bakersfield is proud to be a participant in the V-Day 2019 Community Campaign. We are gearing up a V-Day benefit production of Eve Ensler's award-winning play, The Vagina Monologues, and other exciting works curated by V-Day including the documentary *Until the Violence Stops*, to raise money and awareness for local organizations that work to stop violence against women and girls. This year our goal is to perform the play as a multilingual production using the top five languages spoken in Kern County as well as have an ASL interpreter at the show.

In 2018, over 5,800 V-Day benefit events took place, produced by volunteer activists in 140 countries around the world, educating millions of people about the reality of violence against women and girls both locally and globally. In 2019, Bakersfield will be one of thousands of events around the world channeling their creative energy into making a difference as part of the V-Day Community Campaign. It is our intention to make V-Day Bakersfield 2019 a huge success. This will be possible, in large part, through the assistance and generosity of community leaders and sponsors.

Part of what makes this event so special is the opportunities it offers to business owners in local communities: to participate in this global movement, to celebrate and honor the women and girls in your life and community, to be part of a collective voice, a voice that refuses to be ignored, a voice that says NO MORE to violence against women and girls.

We will be donating all profits from our V-Day events to our own local organizations: The Alliance Against Family Violence and Sexual Assault and Kern Coalition Against Human Trafficking. To date, V-DAY Bakersfield has raised over \$70,000.00 for The Alliance and other local non profits like KCAHT. We are hoping that this year, our sixteenth, we can continue to be generous with these organizations that have been so wonderful to the community of Bakersfield. This year, we are excited to continue our long partnerships with the local non-profit theatre The Empty Space who will be acting as our fiscal agent. We have found an exquisite high profile venue to help showcase and celebrate the work we are doing and support women throughout Bakersfield in the Majestic Fox Theater.

Because we hope to donate as much money to these organizations as possible, we will need to cover the few expenses we incur staging such an event and still have plenty of money left over to give away. We hope that we can depend on you to help us with hosting our event and for considering an in kind donation on some services. Other ways groups can support our event is by having an ad in our program for our production or donating an item for our raffle.

As a sponsor of V-Day Bakersfield 2019, we hope you will use your existing communication channels to get the public educated about V-Day and its mission – to stop violence against women and girls. This includes all women, femmes, transgender women and non-binary people. In exchange for your generosity, we will include your business name and logo on all communications that go out – press releases, flyers, brochures, program, etc. Ads in our program will be seen by the audiences of the shows. These performances typically sell out and everyone can see your support to ending violence against women and girls in our own community while helping the Alliance and KCAHT.

We look forward to collaborating with you on this extraordinary celebration of women and girls and making this a celebration that makes a difference while supporting Alliance Against Family Violence and Sexual Assault and Kern Coalition Against Human Trafficking.

We know that, with your support and participation, each night will be an incredible evening of theatre with a purpose in Bakersfield in 2019. The Empty Space is a 501(c)(3) non-profit (tax ID # 56-2370660).

Warm regards,

Guinevere Park-Hall Dethlefsen, Organizer,
